

**DESCRIPTION** A wine made with 100% Garnacha. 100% Toro D.O.

**VINEYARD** Vineyards that are over 20 years old, located at "El Monte" in San Román de Hornija and "Las Mangas" in Pedrosa del Rey, planted on alluvial soils with a clay basis. The continental climate, altitude of 700 m and the meticulous work of our winegrowers, together with our respect for the environment, allows us to obtain a wine of very high quality that reflects the varietal expression of the grape.

**HARVESTING** Mechanised harvesting is carried out at night and interrupted at the break of dawn to ensure that the grapes arrive at the winery with a natural balance of acidity and alcohol.

**WINEMAKING** Winemaking with destemmed, crushed grapes. Cold fermentation begins with contact between the first-run juice and grape skins for a short time to transfer colour and tannins.

**ALLERGENS** Gluten Free. Contains sulfites.

**TASTING NOTES** Pale raspberry pink colour, very bright. Its sweet aroma, reveals a sparkling fragrance in the nose, joyful and pure, harmonious aromas of strawberries and redcurrants weave their magical power, awakening positivity and energy during what is a sensory experience. Warm, ultra-smooth and silky in the mouth, it evokes fruity notes that offer a fresh, slightly sweet touch on the mid-palate, captivating and enticing from the very start while evoking memories and transporting us to other places.
